

Help Your Pet Beat the Heat with This Frosty, & Refreshing Treat

*This frosty treat will help
your pet weather the last
“Dog Days” of summer.*

-8 oz plain or flavored yogurt
*(choose low-sugar varieties but avoid those
with artificial sweeteners, especially xylitol)*

-1 one large banana

-2 tablespoons creamy peanut butter

-2 cups cold water

Mix all the ingredients in a blender, pour the mixture into ice cube trays, and freeze. You can serve your dog 5 or 6 cubes in their bowl for a delicious, cool, wholesome and refreshing treat!
